May 19, 2011 - The NETSEO Trails Council is once again bringing the Cub Scouting fun to summer vacation. "Scouting the Outback" is the theme for this year's Cub Scout Day Camp to be held on June 15-17 from 3-8 p.m. at the Bonham National Guard Armory and Trades Day Site. This is for boys going into the first grade through fourth grade and registered as cub scouts. The cost is \$35 if registered before May 13, or \$60 afterwards.

"This is a wonderful chance for the boys to come out and have a great time while getting a jump start on their rank requirements", said Daniel Sisk, Camp Director for this year's event. For more information on this event and forms to register as a cub scout, please contact Scott Blackerby (903) 587-3373.
