The Tigers had a good year anyway, and were due to play a bad game as they have been playing heads-up ball all year or they wouldnt have gone as far as they have. They won their district championship of the year, and the first baseball championship in many years.

Billy Steele went all the way on the mound but got poor support in the first 5 innings as Howe scored 7 unearned runs. Then Steele weakened in the sixth after 2 were out and gave up 4 runs on three hits and 2 walks. David Campbell led Leonard hitters as he collected 2 of their 5 hits.
