June 16, 2011 - Megan Sherwin and Nathanael Nix were recognized for a second year with having the most campus points for the Accelerated Reader program at Celeste Elementary. Megan received top honors by earning 406.3 points with a 94.5% average. Nathanael came in second by earning 286.7 points with a 95.2% average.

Taking top AR honors at the junior high was Alyssa Dillingham with 438.5 points. Congratulations to these hard working students! Access the Celeste ISD website for individual AR winners.
